## Order:

This writ petition has been filed by a school named Madina Public School, seeking Mandamus to direct the respondents to consider its representations as per Rule 7 of G.O.Ms.No.86 dated 02-07-2003 and permit some students of VII and VIII classes to write

2nd language examination in English instead of Telugu.

2. When the matter has been taken up for hearing, the learned Government Pleader appearing on behalf of the respondents has produced proceedings dated 07-03-2006 and 25-04-2006, of the Director of School Education, wherein the request of the petitioner was considered and appropriate orders were passed. By the said proceedings, the Director of School Education exempted some students of class VII from studying Telugu as second language and rejected the case of others. Similarly, exemption was granted to some students of class VIII and the request of others was rejected.

3. The request of the petitioner was to exempt some of its students from studying Telugu as second language. As much as orders have already been passed pursuant to the representations made by the petitioner, no further directions can be issued, now, to consider the representations of the petitioner.
